1. PURPOSE

The purpose of the Student Dress Code is to outline Rosehill Secondary College's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Rosehill Secondary College's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance
- support Rosehill Secondary College's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities
- reduce student competition on the basis of clothing
- enhance the profile and identity of the school and its students within the wider community.

2. SCOPE

Students are expected to comply with this Student Dress Code while traveling to and from school, during school hours and when attending school activities.

5. IMPLEMENTATION

Rosehill Secondary College will ensure that this Student Dress Code is communicated to all families and students through our website and school diary. We will assist students who may be experiencing difficulties complying with this policy where possible.

Procedures for Out of Uniform

Students are required to provide a note in the diary from a parent or guardian if they are out of uniform. This note should clearly state the reason, the part of the uniform which is incorrect and the length of time that the student will be in the incorrect uniform.

Students are expected to replace incorrect parts of the uniform with appropriate clothing as close as possible in colour and style to that of the missing item.

Notes will cover students for a limited amount of time only as deemed appropriate by Coordinators. Students should present this note to the Attendance officer or relevant teacher as soon as possible after arriving at school in the morning for approval and will be issued with a short-term Pass.

- Classroom teachers should check the uniform at the beginning of each class and regularly throughout the day.
- If the student is out of uniform, they will be asked to produce a uniform pass or be sent to the Sub School or General Office to collect one. Students are encouraged to collect a uniform pass before 9:00 AM.
- The student will be given a detention if found to be in the incorrect uniform without a note from home. A record of this will be attached to the student's Compass profile.

Repeat Offenders

For persistent offenders, or if the uniform is deemed inappropriate, parents/guardians will be contacted, and the student may be sent home to get changed or excluded from classes.

6. EXEMPTIONS TO STUDENT DRESS CODE

We acknowledge that there might be instances where the enforcement of this dress code could impact students differently.

Students and their parents or carers may apply either in writing or in person to the Principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate particular financial hardship that prevents them from complying with the dress code.

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.
